The service area shall be southern Cochise County, particularly the city of Bisbee.

SECTION 2. PROJECT SUMMARY

The Contractor provides public transportation service in the service area, on a deviated-route, fixed schedule basis with limited route deviations to accommodate occasional, necessary curb-to-curb or door-to-door service. Service is available Monday through Saturday except for National Holidays

SECTION 3. ROUTE AND SCHEDULES

Routes and schedules shall be as described in the Contractor's approved application for funding.

SECTION 4. FARES

Fares shall be 60 cents per one way trip for general public passengers. Senior citizen riders will have their fare prepaid and will identify themselves through an identity card. Unlimited ride bus passes shall be:

\$6.00 per week - \$22.00 per month

The Contractor shall not issue any free ride coupons or reduced ride passes without prior approval from ADOT.

Bisbee ata

If fare revenues fall below 17% of combined operating and administrative costs, the Contractor agrees to make up the difference from local funds. If, however, the contractor cannot make up the difference from local funds and or, if the contractor has not performed with contract schedule of activities, ADOT may deduct the difference from the Operating and or Administrative Federal Share.

Any fares collected will be applied toward the reduction of contract operational costs. If operational costs are funded completely from collected fares, any excess fares will be used to reduce the federal share of contract administrative costs.

SECTION 5. COST ALLOCATION

Since the project vehicles may also be used for non-PROJECT purposes, (with ADOT approval) the Contractor agrees to keep accurate vehicle mileage logs to distinguish between PROJECT and non-PROJECT mileage. ADOT will reimburse vehicle related operating expenses in proportion not to exceed the number of actually driven PROJECT miles as a percentage of the total miles.

SECTION 6. EQUIPMENT AND MAINTENANCE

The Contractor will utilize two Mini buses for this PROJECT. Maintenance and repairs will be the responsibility of the Contractor.

SECTION 7. SCHEDULE OF ACTIVITIES

The Contractor agrees to complete the following activities. Reports documenting the completion of these activities shall be submitted to ADOT by the dates shown below. ADOT may withhold reimbursement from administrative expenses if services are not met by the contractor
